SCHOLARSHIP & SALUTE PAGES

A personal page in the program book is a great way for friends and family to show their support! The prices for congratulatory ads in the book are:

- Full Page: \$300
- Half Page: \$200
- Quarter Page: \$150
- Business Card: \$50

In addition, an advertising page in the program book is a terrific avenue for your sponsors and local businesses to reach a wide and diverse audience- and a great way for you to earn scholarship money! For every business that places an ad in the program book through you, the proceeds will be split 60/40, with 60% of the cost going directly into *your specific scholarship fund* and 40% of it going into the general scholarship fund. Example: Your neighborhood salon places an ad for \$200. You will receive \$120 of that back into your scholarship fund, and \$80 will go into the general fund. There is no limit to what you can earn for your scholarship fund! You can have as many businesses purchase pages as you like, and can ask for as much per page as you like.

After the program you will receive a letter in the mail stating the amount of total scholarships you have earned (this will include any other scholarships you've won in the program). You will be able to take this letter into your school financial aid office, and receive your scholarship.

Numerous other scholarships are available, even if you never win a local title! We will be handing out detailed information regarding the scholarships available at our program this year, as well as national scholarships available for local contestants. See our website for the other national scholarships, www.misslanecounty.org.
